LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Your Life Path is 23/5

The key to your personality is freedom. Joe, you love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons.

You make friends easily; your personality is upbeat and often inspiring, attracting people from all walks of life. You have a way with words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people.

You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later. Freedom and a need for adventure sometimes are not properly controlled by those born with this Life Path, causing problems with drug abuse, overindulgence in food or sex, or generally abusing the gift of life. You are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life.

You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog. You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance the sky is the limit.

You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire. Joe, your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you.

You yearn for freedom and self-employment attracts you powerfully. Your challenge is to settle into one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 29/11

You are highly intuitive and creative. Joe, your mind thinks in pictures. You seem to draw information and ideas from out of the sky. Your intuition is your gift, along with a powerful drive to know the Oneness of all things. You are so driven by spiritual pursuits that no matter what you do in life, the world of spirit and philosophy will be central to your daily behavior. You feel linked with the larger universal forces, and nothing will change that.

You have a fine mind and keen insights, but these do not come as a result of logic or rational thought. You are more likely to direct your life by inspiration, rather than by calculated reflections.

On some level, you know that you are in the hands of destiny, and that you must surrender to the higher powers that shape your life. You are usually a late bloomer. Your early and middle 30s tend to be years spent in apprenticeship and slow development. During this period, you can become frustrated with your progress, or the apparent lack of it.

Joe, you need to develop faith. You are a highly charged person with much to do, but you must develop character and sound judgment before you begin to tap your true potential. Just as a tree needs roots to grow tall, so, too, do you need to develop depth of character in order to begin to expand in the ways you desire and ultimately envision.

Your highly developed intuition makes you a wonderful counselor, healer, or health practitioner. You have a gift for inspiring people. Many people admire you without your knowing it. You are a visionary, and others sense your wisdom.

You are acutely sensitive and easily influenced by your surroundings. You love beauty and harmony. You crave social interaction and much attention. You can be very emotional, often experiencing extremes of happiness and sadness. You are usually too easily hurt.

You get depressed easily and feel the lack of confidence during times you are in a dark mood. Despite your sensitivity, you possess leadership abilities. You are modest, diplomatic and polite. You have the ability to persuade, and can be quite forceful.

Joe, your high sensitivity to others makes you compassionate, kind, and gentle. You have an opportunity for fame and success as long as you do not pursue either as your gods. Look for ways to help others and convey a larger message, with which you were blessed. This will bring you the material and social fruits you desire.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 13/4

You are the bedrock of society, the foundation of any enterprise. Joe, you are an organizer and manager. Your approach to life and to problems is methodical and systematic. You are a builder and a doer. You turn dreams into reality.

You possess a highly developed sense of structure. You enjoy management systems, and can carry out your well laid plans. You are not the type to embark on any trip without a map.

Joe, you take your obligations and those of your family quite seriously. As a result, you are reliable and responsible. You enjoy seeing a project through from start to finish, but can become too narrowly focused. You put your nose to the grindstone and have a tendency to become a workaholic.

You are driven by contempt for all that is unstable, insecure, and unpredictable. You distrust the unconventional, preferring instead the tried-and-the-true. But this can make your endeavors move slowly and cause you much frustration, especially with the apparent limitations of your resources. At the same time, concern for the limitations of your resources causes you to be careful and cautious, shutting you out from possible shortcuts and creative solutions provided by more daring people around you.

It is important that you recognize restrictions for what they are: guiding forces that are testing and directing you toward your goals. Joe, your challenge is to be more imaginative and to attract more creative people into your life who can advise and inspire you.

In relationships, you tend to be somewhat moralistic. You are extremely honest and sincere. You have integrity and are trustworthy, but can also be rigid and stubborn. Don't let your strong likes and dislikes overrule your common sense and compassion. Be more understanding of others' shortcomings.

Because you tend to focus on details, you can fall into a rut and become a little dull and overly serious. Often, people born with the 4 Expression need to lighten up and have more fun.

In your conservative and careful way, you are good with money. You are very conscious of the balance between income and expenditures. You can limit your expenditures; saving money is important to you.

Joe, you are a surprisingly good parent, and love to be involved with children. Somehow, you relate a little more than others to the innocence of children, perhaps seeing a good deal of yourself in them. You, too, are idealistic and respect the simplicity of children.

Many accountants, bookkeepers, government officials, managers, and lawyers are born under the 4 Expression. You can be attracted to the arts and music, but will likely bring your love of structure and order to any artistic field. Classical music and opera are particularly appealing and inspiring for you.

You have a keen eye for detail. You have great stamina and can work conscientiously and persistently toward your goals. This eventually brings you success and standing in your community.

MINOR EXPRESSION

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name. The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

Your Minor Expression is 9

The influence of this number makes you more concerned with the well-being of others. Joe, your Minor Expression number increases your sensitivity to the needs of society. You feel an urge to serve humanity in a more direct way.

The number 9 helps you to better communicate and understand all types of people. You are more aware of your artistic talent and the need to express yourself. Your name opens you up to a larger view of life. It attunes you to political movements, philosophical theories, and spiritual practices. You are more sensitive to the larger patterns of humanity.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 25/7

Joe, you love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts. Joe, you enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary.

Joe, your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you. Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Joe, you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people

are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

MINOR HEART'S DESIRE

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It affects how you feel about yourself; it changes your identity slightly.

Your Minor Heart's Desire is 17/8

Your Minor Heart's Desire increases your ambition and inner strength. Your ability to deal with business, managerial, and organizational matters is enhanced. You are able to focus on your goals and apply the necessary determination and effort to realize them.

Joe, your shortened name increases your capacity for leadership and personal power. It makes you more conscious of material wealth. You are more willing to work hard to improve your status or financial position.

Your shortened name makes you more aware of being a good judge of character, and you are willing to work on this talent. This results in becoming a shrewd judge of others and a better negotiator.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on. Your Personality number also indicates how others perceive you.

Your Personality is 24/6

Joe, you radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others. You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others. You also can become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.)

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective. You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste.

Joe, you are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances. You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity. The influence of the number increases steadily as you grow older.

Your Maturity is 9

Joe, your concern for the well being of society will grow more powerful as you come to maturity. You will be drawn to doing much public service. The long-term

good of your community and even the world will occupy your thoughts increasingly.

As you mature, your appreciation for the arts and beauty in any form will also increase. It is quite possible that you will be actively involved in the arts, if that is not already the case, often as a benefactor.

Service to humanity is fundamental to your life. You will grow in understanding and wisdom as you mature. Involvement with international affairs or humanitarian service offers you much satisfaction.

You will gain a sense of your personal place among the human race. You will feel you belong and that you have provided something of lasting value for the future.

PINNACLES

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number. The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Joe, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

Your First Pinnacle (from birth until age 31) is 5

This is a period that will teach the realities of freedom and expansion. Joe, you will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher.

Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs.

Joe, you may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships.

You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations; otherwise you would be without identity, and without existence.

Your Second Pinnacle (from age 32 until age 40) is 2

Joe, this Pinnacle causes you to be extremely sensitive, intuitive, and full of insight. It is a period that requires patience and the development of inner awareness. You are being asked to use gentle power and persuasion to obtain

your desired goals. Direct approaches, forceful displays, and confrontations will likely work against you. You will find the most satisfactory roles to be supportive.

You are now a gifted advisor, a diplomat and a peacemaker. Your insight into other people's feelings and motivations is so acute that you seem to be able to see right to the core of things. But rather than use these gifts to create differences between people, you must use them to create peace, to mend rifts, to harmonize.

Joe, your challenge during this period is to bring balance to duality in every form, and at every level. You will recognize the value of both sides of an argument and be able to see the middle ground where peace can be made. You can create the atmosphere in which both sides can compromise and work harmoniously. You are the glue that keeps people and important projects together.

The weaknesses you must face and overcome are too much sensitivity. You may be tempted to indulge your feelings, to be too easily hurt. You may lack self-confidence, especially at the beginning of the Pinnacle when your heightened sensitivity and awareness make you conscious of your own shortcomings. You may succumb to fear and hesitation. All of this can lead to emotional turmoil.

Joe, you need courage and the willingness to reach out for support. Your sensitivity will make you acutely appreciative of beauty and harmonious environments. At the same time, you need beauty and harmony around you.

You have an increased appetite for music and the arts in general. You may find that your musical talents coming to the surface. If you do not already play an instrument, give in to any inclination to take one up.

A person in a 2 Pinnacle who uses his or her sensitivity, understanding, and insight is very appreciated by others. You may not fully realize just how much others appreciate and respect you. This may cause you to feel undervalued, or that you are not getting the recognition you deserve.

You appear shy and humble, particularly if this is your first Pinnacle, but inside there is much pride that must be kept in check.

You may want to hide from the tumult of life, or from difficult situations. This may tempt you to color the facts in order to protect harmony. Be careful of this tendency, because it often backfires.

You have an eye for precision and detail. Your taste in all aspects of life is enhanced and you possess a certain class that others admire. If you make the

most of these qualities, your appearance is considerably improved, making you both attractive and graceful.

The world depends on those who maintain harmony and balance.

Your Third Pinnacle (from age 41 until age 49) is 7

This is a period of inner development and soul searching. Joe, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Joe, your desire to study in all forms -- reading, self reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge.

During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

Joe, your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the

relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

Your Fourth Pinnacle (from age 50) is 3

This is a highly creative period. Joe, your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward.

This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature. You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past. All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

CYCLES

Like most stories, there are three great divisions of our lives: the First, or opening period, finds us groping to find our true nature; at the same time, we are trying to cope with the powerful forces that are present in our environment, our parents and the socio-economic conditions of our family, for example. The Second Cycle, or middle period of our lives, brings about the slow emergence of our individual and creative talents. The initial part of this cycle -- the early and mid 30s -- represents a struggle to find our place in the world, while the late 30s,

40s, and early 50s, sees us with a greater degree of self-mastery and influence over the environment. The Third, or final Cycle, can represent a flowering of our inner being, such that our true nature has finally come to fruition. It is during this period that one has the greatest degree of self-expression and power.

Your First Cycle (from birth until age 31) is 3

A time of heightened self expression and much social support. Any ability you possess in the arts, especially in writing, acting, or dance, will be brought to new heights and meet with much reward. Joe, you are socially active as never before.

You will appear to others as charming, attractive, and even charismatic. Be careful not to waste your energies on too many superficial projects or relationships, however. The time requires discipline and focus in order to make the most of the great upward energy that is filling your life.

Your Second Cycle (from age 32 until age 58) is 11

A time of spiritual expansion, even illumination. Joe, you will grow in understanding and wisdom. It is not a time to pursue material goals for themselves, but to seek the higher human ideals. There is a temptation, however, to chase after the infinite without grounding yourself in the practical. That must be avoided. Focus your studies and deepen your understanding to the point that your knowledge can be conveyed to others in simple and acceptable terms.

You possess a message or an ability that should be shared with your community, but only through deep personal transformation and improvement of self-expression can this gift be given. The more willing you are to work on yourself, the more good you will do for the world at large. For those who accept and embrace this path, there is much reward, including ample financial support and even fame. There is also the deeper satisfaction of knowing that one has made a contribution to the advancement of others.

Your Third and last Cycle (from age 59) is 9

This is a period in which a broad view of humanity and a sincere concern for the well being of others will be developed. Tolerance, acceptance, and universal love are the goals of this 9 Cycle, and while such perfection will not be fully achieved, the person under this influence will grow toward these ideals.

Humanitarian principles and social service are the keys to personal happiness. All work directed toward the improvement of the general welfare will

bring great personal rewards, as well. Hard work directed toward higher ideals is rewarded.

Creative talent is also enhanced, especially when it is joined with some larger social purpose or message. There is an element of sacrifice or letting go, as one is asked to forgive past grievances and let go of negative attachments. The person is being asked to live according to a higher ethical standard, with much spiritual and personal enrichment as his reward.
